

## **Yeshiva Shop Fact Sheet**

Chessed Dollars are scrip accepted by many local merchants including Kosher Konnection, the pizza shops, cleaners, mechanics and just about anything you need. There are also participating merchants in Brooklyn, Queens, Monsey and elsewhere. The Yeshiva sells the scrip at face value and it is accepted at participating stores for full value. The Yeshiva also sells gift cards from many stores (see list below) as well as Metrocards and stamps. Each family in the Yeshiva is required to buy at least \$10,000 in Chessed Dollars or gift cards during the school year or pay 5% of that amount to the Yeshiva. Chessed Dollars and gift cards are available in the Yeshiva office 5 days a week in both the Boys and Girls Buildings. Any purchases made during the summer months will be credited to the coming school year.
